### IT COSTS US \$16,000/YEAR!

In order to reduce mailing costs we are encouraging our members to receive their statement online through E-Statement. Do you know that the Credit Union spends **\$16,000** a year to mail out our statements? This includes your credit union statement, newsletters, sale items and postage. WOW, that is a lot of money. Remember if the Credit Union saves money, you make money. Provide us with your e-mail and we can save money.

We are requesting that members update us on any changes to their street address or e-mail address.
