Opportunity Knocks...

Long Island State Employees FCU is presenting college-bound high school seniors with the opportunity to compete for statewide scholarships for either a two – or four year accredited educational institution. It's a simple three-step process, making this an opportunity students can't pass up.

Step 1: Contact our office to request a scholarship application form. If the student is not a member of the credit union, request a membership packet as credit union membership is required.

Step 2: Complete the application form, write an essay and obtain the required transcripts along with the signature of the student's parent or guardian.

Step 3: Return the completed package to the credit union no later than January 27, 2010.

There is no fee for submitting an application, but students applying **MUST** be:

- Member of credit union
- College-bound high school seniors at the time of application to either a two or four-year accredited educational institution; and
- Attending college for the first time in the fall of 2010.

In early spring, applications will be judged against other submission state wide. Winners will be announced in April.

For more information about this scholarship program, contact credit union contact at our office by calling 631-291-9160.
