SERVING OUR MEMBERS AND FAMILIES SINCE 1938

WELCOME MAUREEN!

Effective January 6, 2009 Maureen A. Genna has taken over as Manager of the Credit Union. Maureen has over 20 years of Credit Union experience. She has a Bachelor of Arts degree in Economics from Columbia University and a Masters of Business Administration degree from New York University. Next time you're in the Credit Union stop in and say hello and welcome to Maureen

We would also like to take this opportunity to thank Tom Oelerich, who is retiring, for his many years of service to the Credit Union.

70 years of Strength and Services

How many financial Institutions do you know who can claim **70 continuous** years of quality service? In todays market not very many. But this is exactly what you get at Long Island State Employees Federal Credit Union.

How have we been able to do this? The answer; by treating everyone who joins just like Family. PARENTS, CHILDREN, SIBLINGS, GRANDPARENTS, MOTHERS IN LAW, FATHERS IN LAW, DAUGHTERS IN LAW, SONS IN LAW, ADOPTED AND STEP FAMILY. All can join because you are currently a member.

So be kind to your family and share the strength, let them know that they can enjoy the same benefits you now enjoy. Low loan rates and fees, convenient, friendly services, and higher savings rates are just a few of the many advantages your entire family can enjoy. Share us with your family. Just stop-by or give us a call and we will be glad to answer all of their questions and make the membership process smooth and easy.

Credit unions are member-owned nonprofit financial cooperatives dedicated to improving members' lives.

HIGH CREDIT CARD RATES

WEIGHING YOU DOWN?

High credit card rates weighing you down?
Finance charges and late fees piling up?
Take that weight off your shoulders with a
OVERDRAFT PROTECTION OR LINE OF CREDIT LOAN.

The low fixed and variable rates with flexible terms add up to
affordable payments.

Want even more convenience? Arrange for automatic
payments or payroll deductions.

Get a handle on high-rate debt. A Line of Credit or Overdraft
loan is a smarter way to pay.
