Manager's Message

It's always been a tradition of mine to recollect the past year before welcoming in the new. We often forget all we've accomplished, the strides we've made, the people who've enriched our lives, and the good times we've shared with family and friends.

And so, in this issue I've chosen to recall the additions and improvements we've made at the Long Island State Employees Federal Credit Union in 2017. As promised at the end of last year, we've enhanced our offerings in technology, and bolstered personnel.

- To address the frequency and encroachments in cyber security attacks worldwide, we purchased the latest, state-of-the-art IBM server that enables even better security and enhancements.
- We spruced up the teller counters in the credit union for improved aesthetics. We hope you find it as cheery and pleasant as we do!
- We enhanced our Internet banking services. You'll find it's more user-friendly, with added security, whether you're accessing from your desktop, laptop, or mobile. New features have been added to provide members the ability to easily establish alerts to their account, sending notifications via text or email of any and all account transactions. And coming this month, you will be able to put a temporary freeze on your debit card through mobile and online banking. Now that's Internet progress!
- We now have an ATM on the Long Island Expressway exit 52 at the Welcome Center. Best part is there is no transaction fees to our members!
- We hired a new Teller and Member Services representative. Make sure you come in and say hello!
- We increased the number of loans given and increased the bottom line.
- We have more members making use of mobile banking and remote check deposit than ever before.

Finally, we've continually looked for ways to increase our membership and will do so in the coming year. The more members, the better the benefits to all members, so please tell your friends!

Everyone here on the Long Island State Employees Federal Credit Union team would like to wish you a happy and healthy New Year. We truly appreciate your membership and look forward to serving you in 2018.
