## Are you in the market to buy a car?

LISEFCU can help to make the process of buying a car easy and fast. Most people do not know the value of getting a car loan with their Credit Union.

*Here are just some of the benefits you get to enjoy by obtaining your car loan with LISEFCU:*

- Clear and fast process. We are upfront and hidden charges have no place here. We take the time to review every single part of the contract with you and will go above and beyond to make sure you understand everything before you sign the loan papers.
- No Penalties. There is no pre-payment or early pay off penalty.
- Easy payments. Your loan is paid through direct deposit. Therefore you do not need to worry about paying it on time.
- GAP insurance. We offer GAP insurance on your car. We offer GAP for a fee of \$155.00. If your car gets totaled, your insurance company will only pay the book value of the car. You would still be responsible for the balance of the loan. With GAP insurance they will step in and pay what your insurance company did not pay. Getting this insurance through a dealership will cost a lot more.
- Mechanical Repair. We also offer Mechanical repair. It is an extended warranty that gives you peace of mind and protects your asset.
- Enterprise. We work with Enterprise. In case you decide to trade in your car, our partnership with Enterprise will allow you to work with them in negotiating the highest value for your car. Also if you decide to buy a used car, take advantage of the Enterprise spring promotion!
